AGENDA

Reports and Accounts

To receive and consider the annual financial report of the Company for the financial year ended 30 June 2015, together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING)

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **non-binding resolution**:

“That, for the purpose of Section 250R(2) of the Corporations Act, approval is given for the Company to adopt the Remuneration Report for the financial year ended 30 June 2015.”

Note: the vote on this Resolution is advisory only and does not bind the Directors or the Company. However, if 25% or more votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all the Company's directors (other than the Managing Director) must go up for re-election.

Voting Exclusion: Votes cannot be cast on this Resolution by or on behalf of a member of the Key Management Personnel (or any of their Closely Related Parties), or by a member of Key Management Personnel as proxy for a member otherwise entitled to vote on this Resolution, where the appointment does not specify the way the proxy is to vote, unless the proxy is the chair of the meeting and has been expressly authorised to vote, even though it is connected with the remuneration of Key Management Personnel.

2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – GARY LYONS

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

“That, for the purpose of Listing Rule 14.4 and clause 11.3 of the Constitution, Gary Lyons, being a Director, retires by rotation and, being eligible, is re-elected as a Director.”

3. SPECIAL RESOLUTION 3 – APPROVAL FOR ADDITIONAL PLACEMENT CAPACITY

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **special resolution**:

“That, for the purpose of Listing Rule 7.1A, approval is given for the issue of Equity Securities totaling up to 10% of the number of Shares on issue (at the time of the issue) over a 12 month period, calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 and on the terms and conditions and in the manner set out in the Explanatory Statement.”

Voting Exclusion: The Company will disregard any votes cast on this Resolution by a person (and any associates of such a person) who may participate in the proposed issue of Equity Securities and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of Shares if the resolution is passed (and any associates of those persons). However, the Company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

4. SPECIAL RESOLUTION 4 – APPROVAL FOR SHARE BUY BACK

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **special resolution**:

BY ORDER OF THE BOARD

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding how to vote on the Resolutions. The Directors recommend that Shareholders read this Explanatory Statement in full, together with the accompanying Notice.

FINANCIAL STATEMENTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2015 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.tungstenmining.com.

1. RESOLUTION 1 – REMUNERATION REPORT (NON-BINDING RESOLUTION)

1.1 General

The Corporations Act requires a resolution that the remuneration report be adopted be put to the shareholders at a listed company's annual general meeting. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2015.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

1.2 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

- (a) **If you appoint a member of the Key Management Personnel as your proxy** (other than the Chair) or a Closely Related Party of such a member, **you must** direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
- (b) **If you appoint the Chair as your proxy** (where he or she is also a member of the Key Management Personnel or a Closely Related Party of such a member), you **do not** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, you are acknowledging the Chair may exercise his or her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.
- (c) **If you appoint any other person as your proxy**, you **do not** need to direct your proxy how to vote on this Resolution, and you **do not** need to mark any further acknowledgement on the Proxy Form.

2. RESOLUTION 2 – RE-ELECTION OF GARY LYONS

Listing Rule 14.4 provides that, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

A retiring director is eligible for re-election. The directors to retire at any annual general meeting must be those who have been longest in office since their last election but, as between persons who became directors on the same day, those to retire must (unless they otherwise agree among themselves) be determined by lot.

Gary Lyons retires and seeks re-election in accordance with Listing Rule 14.4 and clause 11.3 of the Constitution. Details regarding Mr Lyons are set out in the 2015 Annual Report.

The Directors, other than Gary Lyons, recommend that Shareholders vote in favour of Resolution 2.

3. SPECIAL RESOLUTION 3 – APPROVAL FOR ADDITIONAL PLACEMENT CAPACITY

3.1 General

Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval to allow it to issue Equity Securities up to 10% of its issued capital over a period up to 12 months after the entity's annual general meeting (**10% Placement Capacity**).

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$8,080,803 (as at 15 October 2015).

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

The effect of Resolution 3 will be to allow the Directors to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

3.2 ASX Listing Rule 7.1A

Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

The Equity Securities must be in the same class as an existing class of quoted Equity Securities. The Company currently has only one class of quoted Equity Securities on issue, being the Shares (ASX Code: TGN).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times B) - C$$

Where:

- A** = the number of Shares on issue 12 months before the date of issue or agreement:
- (a) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (b) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (c) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4;
 - (d) less the number of Shares cancelled in the previous 12 months.
- B** = 10%.
- C** = the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of ordinary securities under ASX Listing Rule 7.1 or 7.4.

3.3 Technical information required by ASX Listing Rule 7.1A

In accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph 3.3(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Annual General Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of the Annual General Meeting; and
- (ii) the date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking), after which date, an approval under Listing Rule 7.1A ceases to be valid.

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (variable "A" in Listing Rule 7.1A.2)	Dilution based on number of Shares issued (being 10% of the number of Shares at the time of issue)	Dilution		
		Funds raised based on issue price of \$0.019 (50% decrease in current issue price)	Funds raised based on issue price of \$0.038 (Current issue price)	Funds raised based on issue price of \$0.057 (50% increase in current issue price)
212,652,708 (Current)	21,265,271	\$404,040	\$808,080	\$1,212,120
318,979,062 (50% increase)*	31,897,906	\$606,060	\$1,212,120	\$1,818,180
425,305,416 (100% increase)*	42,530,542	\$808,080	\$1,616,160	\$2,424,240

*The number of Shares on issue could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with or without Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. The current shares on issue are the Shares on issue as at 15 October 2015.
2. The issue price set out above is the closing price of the Shares on the ASX on 15 October 2015.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Annual General Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

6. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration, in which case the Company intends to use funds raised:
 - (A) to progress the Company's Kilba Project; and
 - (B) for general working capital; or
- (ii) as non-cash consideration for the acquisition of new resources assets and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon any issue of Equity Securities under Listing Rule 7.1A.

(e) **Allocation under the 10% Placement Capacity**

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the Company's circumstances, including, but not limited to, its financial position and solvency;
- (v) prevailing market conditions; and

- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is possible that the allottees under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous Approval under ASX Listing Rule 7.1A**

The Company obtained approval under ASX Listing Rule 7.1A at its previous annual general meeting on 26 November 2014. Since 26 November 2014, the Company has not issued any Securities.

(i) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (i) a list of the allottees of the Equity Securities and the number of Equity Securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

3.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

4. RESOLUTION 4 – APPROVAL FOR SHARE BUY BACK

4.1 General

The Corporations Act provides a mechanism for companies to buy back Shares from their Shareholders by way of a selective share buy-back subject to approval by special resolution of Shareholders.

The Company has entered into an agreement with Richmond Resources Pty Ltd to buy back 2,000,000 Shares held by Richmond Resources Pty Ltd.

4.2 Information in Relation to Proposed Buy-Back

The Company is required to provide Shareholders with a statement setting out all of the information known to the Company that is material to the decision on how to vote on the Resolution except to the extent it would be unreasonable to require the Company to do so because the Company had previously disclosed the information to Shareholders.

The following information is provided in relation to proposed buy back:

- (a) The Company has on issue 212,652,708 Shares.
- (b) The Company proposes to buy back 2,000,000 Shares representing 0.94% of the Shares on issue.

- (c) The terms of the buy-back require Richmond Resources Pty Ltd to transfer the buy-back Shares to the Company for no consideration subject to Shareholder approval being obtained.
- (d) The Shares are to be bought back for no consideration, that is, for a buy-back price of nil.
- (e) The reason for the buy-back is that the buy-back Shares were issued to Richmond Resources Pty Ltd in consideration of the transfer by Richmond Resources Pty Ltd to the Company of a 20% interest in Western Australian Exploration Licence E20/559. Richmond Resources Pty Ltd was unable to transfer the interest in the tenement and the tenement was subsequently surrendered. Accordingly, the Company and the Shareholder have agreed that the Shares be bought back by the Company for no consideration.
- (f) No director is entitled to participate in the buy-back or has any interest in the buy-back.
- (g) The buy-back will have no financial effect on the Company as it is being effected for nil consideration. It will, however, reduce the total number of Shares on issue and will therefore increase the percentage holding of all Shareholders in the Company.
- (h) No funds are required for the buy-back.
- (i) The advantage of the proposed buy-back is that the Company will buy back 2,000,000 Shares for no consideration which will increase the percentage holding of all Shareholders in the Company. The Company does not believe there are any disadvantages of the proposed buy-back.
- (j) The selling Shareholder is Richmond Resources Pty Ltd. The buy-back will not have any effect on the control of the Company as the number of Shares being bought back represent less than 1% of the total Shares on issue.
- (k) The last traded price on ASX in the Company's Shares prior to the date of this Notice was [3.8 cents] on [15 September 2015].

The Directors recommend that Shareholders vote in favour of Resolution 4.

4.3 Voting Exclusion

The Company will disregard any votes cast on this Resolution by a person (and any associates of such a person) who may participate in the proposed share buyback and a person whose shares are proposed to be bought back. However, the Company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Instructions for Completing 'Appointment of Proxy' Form

1. A Shareholder entitled to attend and vote at a meeting is entitled to appoint not more than two proxies to attend and vote on their behalf. Where more than one proxy is appointed, such proxy must be allocated a proportion of the shareholder's voting rights. If the Shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half the votes.
2. A duly appointed proxy need not be a Shareholder of the Company. In the case of joint holders, all must sign.
3. Corporate Shareholders should comply with the execution requirements set out on the proxy form or otherwise with the provisions of Section 127 of the Corporations Act. Section 127 of the Corporations Act provides that a company may execute a document without using its common seal if the document is signed by:
 - Directors of the Company;
 - a Director and a company secretary of the Company; or
 - for a proprietary company that has a sole Director who is also the sole company secretary – that Director.

For the Company to rely on the assumptions set out in Section 129(5) and (6) of the Corporations Act, a document must appear to have been executed in accordance with Section 127(1) or (2). This effectively means that the status of the persons signing the document or witnessing the affixing of the seal must be set out and conform to the requirements of Section 127(1) or (2) as applicable. In particular, a person who witnesses the affixing of a common seal and who is the sole Director and sole company secretary of the company must state that next to his or her signature.

4. Completion of a proxy form will not prevent individual shareholders from attending the meeting in person if they wish. Where a shareholder completes and lodges a valid proxy form and attends the meeting in person, then the proxy's authority to speak and vote for that shareholder is suspended while the shareholder is present at the meeting.
5. Where a proxy form or form of appointment of corporate representative is lodged and is executed under power of attorney, the power of attorney must be lodged in like manner as this proxy.
6. To vote by proxy, please complete and sign the Proxy Form enclosed and either send the Proxy Form :
 - (a) by post, to Tungsten Mining NL, PO Box 517, West Perth WA 6872; or
 - (b) by facsimile, to the Company on facsimile number (08) 9322 2370,

so that it is received not later than **11:30am WST on Saturday, 21 November 2015.**

Proxy forms received later than this time will be invalid.
